Home / I'm Learning / OCT21 - LPIC1.1

OCT21 - LPIC1.1

This course is offered by Network Development Group (NDG). The content will help you develop the basic professional skills that are common to major distributions of Linux.

The course is aligned to the Linux Professional Institute (LPI.org) LPIC-1 101 (Links to an external site.) professional certification exam.

To Get Started:

- 1. Click on a course activity in the Modules below.
- 2. Check the box to accept Terms and Conditions, click Submit.
- 3. Close the Terms and Conditions window, refresh the previous window, and reload the activity.
